ST Math Homeschool is currently available for free through June 30, 2021. As of July 1, 2021, a monthly subscription of ST Math Homeschool will be available for \$9.99 per month for one student, and an added \$2 per month for each additional student (up to 10 total).

Narrative Techniques: Dialogue, Pacing, Description ...

In 8th grade, students continue to practice and refine many of the writing skills they learned in 7th grade while also learning some additional complex writing skills. Given that refining one's writing can take time and practice, students are not expected to cover a great deal of new skills. However, they do learn some new techniques and skills that enhance their

“My goal is to get information about what students are thinking and use that to guide my instruction, as opposed to just telling them information and asking them to parrot things back,” says Delise Andrews, who taught math (K-8) and is now a 3-5 grade math coordinator in the Lincoln Public Schools in Lincoln, Nebraska. Instead of seeking a specific answer, Andrews wants to have deeper ...
