[Aviation Technician - Aircraft Maintenance](#)

At the end of my second year, having completed all my licence exams, I secured a position at KLM UK as an aircraft certifying mechanic. Whilst at KLM UK I worked on Boeing 737, Fokker and BAE 146 aircraft and gained a full EASA B1 licence and type certificate on B737CG aircraft. I was also able to work in the Production Support and QA departments as a technical co-ordinator and QA support ...
