The value of Yogananda's Autobiography is greatly enhanced by the fact that it is one of the few books in English about the wise men of India which has been written, not by a journalist or foreigner, but by one of their own race and training—in short, a book about yogis by a yogi. As an eyewitness recountal of the extraordinary lives and powers of modern Hindu saints, the book has ...

What is an autobiography? An autobiography is a self-authored story of a person's life. It is an account of one's life written or recorded in some way by that person. Since A.D 400, people have been writing autobiographies. In the early days, memoirs were often confused with autobiographies, but today that dichotomy is much clearer: a memoir typically records one area of the author's ...

The task of writing an autobiography is a difficult one. When I try to classify my earliest impressions, I find that fact and fancy look alike across the years that link the past with the present. The woman paints the child's experiences in her own fantasy. A few impressions stand out vividly from the first years of my life; but "the shadows of the prison-house are on the rest." Besides, many ...

Nobody else gets to tell me what to do. I make the choices and I live with the consequences. I've had a traditional deal offered and I turned it down. My agent agreed with me. He says lots of people are just sick of the way traditional publishing works. Now that people don't have to go that way, a lot of people, even people who could easily get traditionally published, are choosing not to.

A self-taught English cobbler William Carey set out to evangelize the people of India. When Carey was called to missions the vision of world evangelism was not clear in England. He was, in fact, considered to be the father of modern Protestant missions. Carey's first six years on the field were nothing short of outrageously awful. He survived malaria, dysentery and cholera. During his years ...
