[Examples Of Conflict Resolution Scenarios](#)

Conflict resolution is the process of resolving a dispute or a conflict by meeting at least some of each side's needs and addressing their interests. Conflict resolution sometimes requires both a power-based and an interest-based approach, such as the simultaneous pursuit of litigation (the use of legal power) and negotiation (attempts to reconcile each party's interests).

The goal of conflict resolution is not to decide which person is right or wrong; the goal is to reach a solution that everyone can live with. Looking first for needs, rather than solutions, is a powerful tool for generating win/win options. To discover needs, you must try to find out why people want the solutions they initially proposed. Once you understand the advantages their solutions have ...
