Letting Go describes a simple and effective means by which to let go of the obstacles to Enlightenment and become free of negativity. During the many decades of the author's clinical psychiatric practice, the primary aim was to seek the most effective ways to relieve human suffering in all of its many forms. The inner mechanism of surrender was found to be of great practical benefit and is

That being said, Hawkins composes thoughts, ideas, strategies about the concept of letting go - which has been addressed in many and various ways by both psychological and spiritual traditions - that do seem somewhat novel. I especially appreciate his explanation of the "hierarchy" of emotions and their actual frequency levels. One thing that annoyed me is that he w

Quotes from *The Eye of the I*:
We change the world not by what we say or do but as a consequence of what we have become. Thus, every spiritual aspirant serves the world. (Eye, 69) To let go of the known for the unknown requires great commitment, willingness, and devotion to surrendering one's faith to God. (Eye, 110)
