Walter Dean Myers (RIP) was one of the most prolific and successful children's and YA authors ever, but this book, that I have taught many times and is a staple especially in urban schools, may be his best known, in print since it came out in 1999. I read it again in a Growing Up course recently, and some students also read Bad Boy, his memoir, but some students instead/also read the graphic ...

Autism spectrum disorders are not rare; many primary care pediatricians care for several children with autism spectrum disorders. Pediatricians play an important role in early recognition of autism spectrum disorders, because they usually are the first point of contact for parents. Parents are now much more aware of the early signs of autism spectrum disorders because of frequent coverage in ...
