"Magic Finding" is the activity that results in finding higher magic quality items - especially unique and set items. Maxing the efficiency of finding good set/unique items is the objective of this guide. Thus, this guide doesn't cover how to effectively find runes or items with sockets. The chance of getting set/unique item depends on:

The profit rate assumes 8 kills per hour. Your actual profit may be higher or lower depending on your speed and Araxxor's enrage. Note

that with more experience and max guild teleport it is possible to get 10-13 kills an hour and upwards of 20 kills an hour when path 1/2 is open and you are duoing. However, the drop rate of leg pieces are reduced when killing the pair with a partner.
