It is very short and 'to-the-point' in comparison to the other study guides available. Certainly consider picking up the official test guide from ATI, especially if you're still finishing up your pre-requisite courses. But if you're normally an adept student with your pre-requisites finished who wants a very straight-forward review, I highly recommend this guide over the rest.

Our TEAS Quick Reference Guide is condensed study material. We've taken the basics of the test and boiled it down to the most important concise facts and need-to-know information. Our goal was to create a set of cheatsheets that you can print out that would allow you to do a quick review in a short amount of time. Unfortunately our cheatsheets don't give away the actual answers to the test ...
