Introduction to Literature Michael Delahoyde. Psychoanalytic Criticism Psychoanalytic criticism adopts the methods of "reading" employed by Freud and later theorists to interpret texts. It argues that literary texts, like dreams, express the secret unconscious desires and anxieties of the author, that a literary work is a manifestation of the author's own neuroses.

The Bedford Level Experiment was a series of observations carried out along a six-mile length of the Old Bedford River on the Bedford Level, Norfolk, England.. The experiment was often performed during the nineteenth and early twentieth centuries. Most results have served to prove Flat Earth Theory, and although a few have claimed otherwise they have been soundly disproved by Flat Earthers.
