Volume III of The Cambridge Ancient History was first published in 1925 in one volume. The new edition has expanded to such an extent, owing to the immense amount of new information now available, that it has had to be divided into three parts. Volume III Part 1 opens with a survey of the Balkans north of Greece in the Prehistoric period. This is the first time such a survey has been published ...

Maritime history dates back thousands of years. In ancient maritime history, evidence of maritime trade between civilizations dates back at least two millennia. The first prehistoric boats are presumed to have been dugout canoes which were developed independently by various stone age populations. In ancient history, various vessels were used for coastal fishing and travel.

Just as the ancient graffiti of the brothel arrested Twain, readers will be drawn in by the hundreds of translated graffiti and inscriptions compiled in this book, scribblings which range from men crowing about sexual conquests ('Murtis, you suck well') to the names of employed prostitutes ('Hey, mistress Fabia!'). An appendix presents the evidence, but it is Levin-Richardson who ...
